Round 1

February 18, 2016

Tommy Fleetwood (Eng) – First Round 65 (-6)

That's a good way to end the day?

Yes, I didn't know what the scores were out there and I hit it nicely on 17 and 18. The 18th hole is a tough hole. My second shot, that was the shot of the day. I hit my second shot out of the bunker and had a really good putt. I played really good and I'm happy.

Is this a course which you enjoy playing on?

I think it is a great course. It is an old fashion course. It is a very good course. You got to position your ball and think a bit. The greens are really tricky and that's going to cause problems for a lot of people.

Does that make you more proud with the way you scored?

I missed some chances on the front nine but holed some as well. I played really well on the back nine and kept it going. I had some dodgy shots but played lovely. When you play like that, you have to enjoy it. When you play a round like today, you really appreciate it and I just enjoyed being out there today.

Ends.
