#### **Prom Meesawat (Tha) – First Round 66 (-5)**

I didn't expect to shoot five-under because I didn't hit it as good as I should during the practice round. I started with birdie, birdie and tried to find the fairway. You must hit a lot of greens here and find fairways to have a good score.

I'm not in very good form at the moment but I hit the driver so well today and that's the key to a good score on this course. After I made two birdies, I put myself in a very comfortable position. From there I kept playing well and I felt relaxed.

It is very nice weather. It doesn't happen a lot when you play in Malaysia. It is nice to play in this weather (breezy & cloudy).

(On his form) I still have a lot of work to do so I'll continue to work hard and prepare for the rest of the season.
