

## **Friday interviews**

### **Round 2**

**February 19, 2016**

**Soomin Lee (Kor) – Second Round 68 (-3), Total 134 (-8)**

I feel comfortable heading into the weekend because I like the course. I think I have a chance. The course is almost similar to the course we played in Bangladesh last week (finished tied seventh). This course really suits my game.

I just focussed on my shots and I didn't pay attention to the leaderboard. I have two tied seventh place finishes so I'm playing well and I feel confident. I practised a lot on my short game lately and that has helped a lot.

Ends.
