Round 2

February 19, 2016

Thongchai Jaidee (Tha) – Second Round 69 (-2), Total 135 (-7)

I played great but putting was not good as yesterday. I hit a lot of fairways and a lot of good chances but my putting was not great. It was difficult to read the greens.

I'm still in it with a chance with two more days to go. I'll try to play my best on the weekend. You have to hit the fairways and hit a lot of greens. The putting will be a huge challenge here.

I'm in a very good group (Danny Willett & Louis Oosthuizen). They are good players and I enjoy playing with them. I'm performing very well but I need to plan a bit better on the course and improve on my putting.
