Soomin Lee (Korea) – Final Round 73 (+2), Total 271 (-13)

This week is very good for my golf life but I'm a little bit disappointed. But it is okay because I have many more tournaments to try and win. I have three top-10s in three events now so it is okay.

16, 17 and 18 are very important on this course. I was very nervous and felt pressured. I missed some short putts and that's why I finished second.

I still have one more tournament in Perth next week so I hope to play well again.
